We offer quality service with unmatched efficiency. You would be interacting with a team of well qualified and highly experienced professionals in the field of Port, Airport, Customs etc., while dealing with us. Our personnel are well cognizant with the challenging needs and changing demands of today's businesses. They deal with your day to day problems and formalities involved in the respect of Clearance and Shipment of Import and Export Cargo. To us efficiency means timely and quality service, the key to customer satisfaction.

We possess CHA License No. 11/603.

The major port in which we operating include Mumbai Port, Nhava Sheva Port, Mundra Port, & Sahara Air port.

Our main commodities of clearance are various types of Asbestos Fiber, Chemicals, Leather Materials, Textiles, Machinery, Tools, Pharmaceuticals, Food Stuff etc.

Our Goals

Our constant and continuous endeavour, to improve and upgrade our services and efficiency levels, has made us one of the few players, offering a whole range of customised services in the field of clearing and forwarding. To address our valuable customers' demands, and to give them utmost satisfaction, we have earmarked handling of export consignments as our immediate thrust area. Little wonder then, that we remain the first choice for many reputed export organisations.

Our Beliefs

Nothing is impossible. That's been our belief right from our inception. And that's what has made us address the individual needs of our customers. Needs like up-to-date Shipping information and other distribution services. Our varied policies handles everything from pre-shipment to post-shipment formalities.
